Programme Content

The current status of corporate governance in Indian cooperative banks remains a matter of significant concern and focus. While efforts have been made to address the governance shortcomings, instances of weak governance practices and financial irregularities in some cooperative banks have raised alarm. The Reserve Bank of India (RBI) has taken regulatory measures to strengthen governance, including the appointment of professional management, implementation of robust risk management systems, and enhancement of audit processes and disclosure norms. However, continuous monitoring, evaluation, and improvement of governance practices are still necessary to restore trust and stability in the sector and protect the interests of depositors. Thus governance in the bank is utmost important aspect for better performance and risk mitigation in the banks.

In this backdrop – Training Programme on “Governance and Risk Management in UCBs” from **22nd – 23rd February, 2025**- is planned to be conducted at **Udaipur, Rajasthan**.
